Stunning Magic Emerald Edition

Price per Unit (Box): \$19.99

The emerald edition magic set is a collection of truly amazing magic tricks. Excellent quality props and crystal clear instructions enable the youngest magician to perform really amazing magic! This set has some absolute classics of magic, the truly amazing Indian Water Vase, the coin slide and spiked coin as well as two incredibly easy to perform but totally mystifying mind reading tricks. In fact this set contains everything you need to baffle and amuse your audience with really stunning magic!
